Keeping this point in view, for Talukawise allotment of Units/projects, the physical distance of the applicant's residence from the place of work is an important point for evaluation.

Gradewise evaluation shall be directly proportional to the distance but inversely which means that residents within a distance of 5 kms. will be allocated full marks whereas distance beyond 5 kms. but limited to 10 kms. will fetch 80% marks. Distance beyond 10 kms. limited to 20 kms. shall fetch 40% marks and beyond 20 kms. zero marks, this will however not debar the applicant from his eligibility. This will ensure that where unemployment is on the lower side, that particular Taluka shall absorb the unemployed from the neighbouring Taluka.

(ii) *Family Income.*— For this purpose, the family shall be considered as a unit as given in the concerned applicant's ration card. If applicant is unmarried, the ration card of an individual will be clubbed alongwith that of his parents to represent the true state of affairs and income.

Annual income slabs shall be evaluated as follows:—

(a) Combined annual income upto 25000/-	I
(b) Combined annual income beyond 25001/- but upto 50000/-	II
(c) Combined annual income beyond 50001/- but upto 100000/-	III
(d) Combined annual income beyond 100001/-	IV

This evaluation criteria shall carry ...20 ... marks and allocation shall be as under:—

Category I	...	100% of marks
Category II	...	80% of marks
Category III	...	60% of marks
Category IV	...	20% of marks

(iii) *Qualification.*—

Though the scheme is meant for less educated unemployed youth, it shall not debar highly educated unemployed. The minimum eligibility is an applicant having educational qualifications of standard VIII or equivalent. This will carry 10 marks and distribution of marks shall be as follows:—

(A) Standard VIII but not passed standard X	...	100% of marks
(B) Passed standard X	...	80% of marks
(C) Passed Standard XII/ITI/Diploma/Certificate	...	60% of marks
(D) Beyond standard XII but not a graduate	...	40% of marks
(E) Graduate	...	20% of marks

- (a) getting out of the unemployed category; and
- (b) the capacity to encash on the opportunity to become an entrepreneur.

The weightage allocated to interview shall be ... 30 ... marks.

The interview shall be conducted by the Appraisal Committee.

14 (b) *Criteria for selection of Self Help Groups.*—

- (i) The Self Help Group shall be registered under the Societies Registration Act and
- (ii) Shall be operating in the field of self employment ventures.
- (iii) The Self Help Group shall be active in their field of activity at least for the past one year.
- (iv) The items to be displayed/sale are produced by the Group.

15. *Selection List.*— As per the guidelines, a list of applicants shall be prepared as per availability of spots Talukawise, 50% more than planned spots. Within the overall list of applicants, categorisation shall be done according to the proposed trade. In the entire process, more stress shall be laid towards the applicant's integrity and his ability to cope with reality. Averments in the affidavit sworn by the applicant will be taken as valid and true. Any false information/affidavit shall automatically debar the applicant from the selection process, even if completed.

16. *Identity Cards/Annual Inspection.*— All beneficiaries shall be issued a photo identity card by the EDC, which is non transferable. The EDC shall carry out annual inspection of the units/projects and certify that the person whom the project is sanctioned is carrying out the business as authorised.

17. The subsidy component under the Scheme shall be reimbursed by the GHRSSIDC to the EDC as per the actuals. The subsidy shall be released by the GHRSSIDC to the EDC every six months on receipt of report from EDC. The reports are to be submitted by 1st January and 1st June.
